Haley Keglovits, Ph.D.

Email – Website – Linkedin – Github

Boston, MA

Last Updated: October 16, 2026

Employment

Harvard University — Boston, MA
Psychology Department College Fellow — *2025 - present*

Education

Brown University — Providence, RI
Doctor of Philosophy in Cognitive Science — *August 2019 - June 2025*

University of California, Berkeley — Berkeley, CA
Bachelor of Arts in Computer Science, Bachelor of Arts in Cognitive Science — *August 2015 - May 2019*

Publications ** Co-First Author*

Keglovits, H., Zielinski, R., Bhandari, A., & Badre, D. (2025). Task context is broadly encoded in the human brain. *bioRxiv preprint*, 10.64898/2026.05.14.724660.

Bhandari, A.*, **Keglovits, H.***, Buyukyazgan, D., & Badre, D. (2025). Task structure tailors the geometry of neural representations in human lateral prefrontal cortex. *eLife*, 14:RP107356.

Yoo, A.H., **Keglovits, H.**, & Collins, A.G.E. (2023). Lowered inter-stimulus discriminability hurts incremental contributions to learning. *Cognitive, Affective, & Behavioral Neuroscience, 23*(5), 1346-1364.

Badre, D., Bhandari, A., **Keglovits, H.**, & Kikumoto, A. (2021). The dimensionality of neural representations for control. *Current Opinion in Behavioral Sciences*, 38, 20–28.

Galeano Weber, E. M., **Keglovits, H.**, Fisher, A., & Bunge, S. A. (2020). Insights into visual working memory precision at the feature- and object-level from a hemispheric encoding manipulation. *Quarterly Journal of Experimental Psychology*, 73(11), 1949–1968.

Presentations *Trainees indicated with underline*

Conference Posters and Talks

Keglovits, H. (2026). *Integrating LLM-Generated Interactive Demos into Psychology Courses.* Society for Teaching Psychology Annual Conference on Teaching. Poster, St. Louis MO.

Keglovits, H., Zielinski, R., Bhandari, A., Badre, D. (2025). *The functional organization of task-tailored neural representations for control in human neocortex.* Cognitive Neuroscience Society Annual Meeting. Poster, Boston MA.

Palsamudram, T., **Keglovits, H.**, Badre, D. (2025). *How Does Task Structure Impact Metacognitive Judgment?* Cognitive Neuroscience Society Annual Meeting 2025. Poster, Boston MA.

Doss, E., **Keglovits, H.**, Bhandari, A., Badre, D. (2024). *Evaluating RETROICOR & aCompCor-based denoising for improving multi-voxel pattern analysis.* Cognitive Neuroscience Society Annual Meeting 2024. Poster, Toronto, Canada.

Buyukyazgan, D., Bhandari, A., **Keglovits, H.**, Badre, D. (2023). *Practice-related effects of dorsolateral prefrontal cortex representational geometry on context-dependent behavior.* Annual Society for Neuroscience Meeting. Poster, Washington DC.

Keglovits, H., Bhandari, A., Chicklis, E., & Badre, D. (2023). *Task structure shapes the geometry of control representations in PFC.* Cognitive Neuroscience Society Annual Meeting. Poster, San Francisco, CA.

Keglovits, H., Bhandari, A., Chicklis, E., & Badre, D. (2022). *The relationship between task demands and the dimensionality of control representations.* Annual Society for Neuroscience Meeting. Nanosymposium Talk, San Diego, CA.

Keglovits, H., Bhandari, A., Chicklis, E., & Badre, D. (2021). *Evaluating methods for estimating geometry of neural representations.* Society for Neuroscience Global Connectome. Poster, Virtual.

Keglovits, H. (2020). *Estimating Dimensionality of Neural Firing.* Brown Unconference. Talk, Brown University.

Keglovits, H. & Collins, A.G.E. (2019). *Effects of stimulus linguistic and visual confusability on learning.* California Cognitive Science Conference. Poster, Berkeley CA.

Keglovits, H. & Collins, A.G.E. (2018). *Computational Modeling of Reinforcement Learning and Working Memory Systems.* Summer Undergraduate Research Fellowship Conference. Talk, Berkeley CA.

Invited Talks and Panels

CIRTL Network Teaching-as-Research Presentations, April 2025. *Quantifying Student Engagement with Online Lecture Content*

Girls Who Code Brown College Loop, April 2024. *Research at Brown Panel*

Brown University Departmental Undergraduate Group, November 2023. *Graduate School Information Panel*

Brown Brain Fair, March 2023. *Multitasking: Facts and Fictions*

Brown MRI Research Facility Users Meeting, March 2023. *Task structure shapes the geometry of control representations in PFC*

Brown University Departmental Undergraduate Group, November 2022, *Getting Into Research*

Brown CLPS First-Year Project Series, January 2021. *Evaluating methods for measuring geometry of neural representations*

Brown MRI Research Facility Users Meeting, March 2020. *Introduction to Psychopy for fMRI*

Brown University CareerLAB, October 2019. *Graduate School Panel*

Teaching

Harvard University

Introduction to Statistics for Behavioral Sciences. Instructor, Spring 2026.
Supervised team of five graduate teaching assistants.

The Psychology of Large Language Models. Instructor, Spring 2026.

Brain's Conductor: Psychology of Focus, Flexibility, and Control. Instructor, Fall 2025 & 2026.

The Coding School *Virtual Instruction*

AI Bootcamp for College Faculty. Instructor, Fall 2024; Teaching Assistant, 2023-2024. Month-long intensive for community college, HBCU & MSI faculty on AI and machine learning.

AI Professional Development Program for High School Educators. Instructor, Summer 2024. Two-week professional development program on machine learning pedagogy.

Introduction to AI. Lab Instructor, 2023-2024. Year-long course on AI for high school students.

Brown University

Camp Code: Learn to think Like a Programmer. Instructor, Pre-College Program Summer 2023. Supervised two graduate teaching assistants.

Introduction to Programming. Instructor, Spring 2022.

Mind, Brain, Behavior: An Interdisciplinary Approach. Teaching Assistant, Summer 2021 & Fall 2021.

Happiness in Philosophy and Psychology. Teaching Assistant, Spring 2021.

Selected Professional Development

Center for the Integration of Research, Teaching, and Learning (CIRTL): An Introduction to Evidence-Based Undergraduate STEM Teaching, Summer 2024 (completed with distinction); Change Leadership for Inclusive Teaching and Learning, Summer 2024.

Brown University Sheridan Center for Teaching and Learning: Teaching Consultant Program, Fall 2023; Course Design Seminar, Spring 2023; Inclusive Teaching Seminar, Fall 2022.

Mentoring to Make a Difference February 2025 Learning Intensive, Brown University.

Conferences: Ivy+ Teaching Transformations Summit 2024 & 2025; Teaching at Teaching Intensive Institutions, 2022, 2023, & 2024.

Service and Leadership

Departmental Service *Brown University*

Undergraduate Curriculum Committee 2023-2024. Elected graduate student representative to faculty committee discussing curriculum, honors requirements, and departmental programs.

Diversity and Inclusion Reading Group 2021-2025. Founded yearly reading and discussion series on racism and discrimination in psychology.

Diversity and Inclusion Liaison 2021-2022. Elected departmental representative to present diversity and inclusion related issues to faculty and run relevant whole-department trainings.

Diversity and Inclusion Action Plan Committee 2020-2025. Served on Curriculum Subcommittee to improve pedagogy through initiatives including directed reading groups and workshops.

Graduate Representative 2020-2021. Elected representative of graduate student body to organize town hall meetings and professional development seminars, as well as bring student concerns to faculty.

Careers Outside Academia Series 2020-2021. Hosted talk series open to undergraduates, graduate students, and postdocs featuring department alumni who pursued careers outside of academia.

Community Outreach

College Day at Brown 2023, 2024, & 2025. Proposed, organized, and lead neuroscience activities for local high school students. [Article featuring our activity, 2023.]

Brown Brain Fair 2023, 2024, & 2025. Organized activity table to explore brain function with community members as a part of Brain Waves RI.

Elementary School Visitations 2023. Assisted with two outreach events to engage local elementary school students with psychology and neuroscience activities.

Brown University Ambassador at Leadership Alliance National Symposium 2022. Attended conference to present information on Brown University graduate programs.

Graduate Training Outreach Panel 2021. Organized 100+ attendee virtual panel about graduate training, targeted at and advertised to students from schools underrepresented in Psychology PhDs.

Honors and Funding

Harvard University

Student Mentorship Award, Psychology Department, 2026.

Brown University

CIRTL *Scholar* Recognition, 2025. Previously awarded *Associate* and *Practitioner*.

Presidential Award for Excellence in Teaching, 2023. [Article]

NIH Interdisciplinary Training in Computational, Cognitive, and Systems Neuroscience T32, 2021-2023.

Graduate School Summer Fellowship, 2020.

Betty R.H. and James M. Pickett Fellowship Fund for Psychology, 2019-2020.

University of California, Berkeley

Highest Honors in Cognitive Science, 2019.

Summer Undergraduate Research Fellowship, 2018.

Academic Honor Roll, 2015 - 2017. Dean's List, 2015 - 2016.

Mentorship

Prospective Ph.D. & RA Event in Psychology (PPREP) Program Mentor *Harvard University*, 2025. Mentored three students from economically or resource disadvantaged backgrounds on their applications to graduate school.

Senior Honors Thesis Mentor *Brown University*

- Tanvi Palsamudram (Neuroscience, 2025) - *Metacognitive Judgments as Predictors of Learning Proficiency in Cognitive Control Task Instruction*
- Roshan Parikh (Applied Mathematics, 2024) - *Neural Connectivity as a Tool for Decoding Analyses*
- Elizabeth Doss (Neuroscience, 2024) - *Evaluating RETROICOR & aCompCor-based denoising for improving multi-voxel pattern analysis*
- Camille Aquino (Cognitive Neuroscience, 2024) - *Analyzing differences in hippocampal-prefrontal cortex functional connectivity as a function of cognitive control task structure*

Badre Lab Research Mentor *Brown University*, 2019 - 2025. Mentored 10 undergraduate students in behavioral research practice, fMRI collection, data analysis, and professional development. Six students funded through Brown's competitive Undergraduate Teaching and Research Award program.

International Student Orientation Peer Mentor *Brown University*, 2021-2024. Served as peer mentor to group of incoming international graduate students during orientation.
